

# Pinewood Raceway

Pinewood Raceway is available for birthday parties and special occasions. The venue is ideal for celebrating and having some “fast and furious” fun!

Our 2016 costs are £150 for twelve kids and after the twelfth, the costs go down to £7.50 per head.

We cannot accept a booking for less than ten kids as it's impractical as we need five kids racing and five kids marshalling.

Our minimum age is eight for the large track and six for our smaller track. Please advise us if your child is six when enquiring as Pinewood Raceway have some prerequisites before accepting the booking. There is no maximum as to how many can take part.

The event is for a ninety-minute period however, please allow two hours which includes a break. (The break is dependent on the catering and how quickly it can be consumed – please factor this into your party program). The overall event length is two hours. We supply the cars, controllers and Race Director (MC) and of course the track hire.

We do not include food or refreshments but we can cater for the event from as little as £3.75 per child. If adults are taking part, then we can do hot and cold finger buffet style food. Please let me know if you want more details.

You are welcome to cater for yourselves but the food can only be consumed during recognised breaks in the racing. If you do decide to cater yourselves then you are responsible for the cleaning and clearing of food, packaging and rubbish from your party. Food and drink must be kept away from the track at all times.

If you go ahead with the booking, then I don't need a deposit just five working days' notice of cancellation. Our minimum charge is payable if sufficient time is not given or a, “No Show” occurs.

Payment is either by cash or cheque and is payable on the day of the event.

We have plenty of parking which is front of our building. We also have plenty of space to sit and spectate as well as take time out for refreshments.

The clubhouse has a food preparation area but we do not allow cooking.

Please email the Events Coordinator with your requirements and preferred dates.
